

## SRCS Multiple Schedules for the 2020-21 School Year

### Secondary Distance Learning or Intermittent Distance Learning (school closure)

All students are on a block schedule, participating twice a week in each class.

Block periods stay the same as the in-person hybrid model for consistency and to meet graduation requirements but live zoom teaching time is to be minimized to 30 minutes per period. All content, lessons and activities will be posted on Google Classroom. Subject to change.
